

"Hi Bill"

AUGUST 17, 2018

PLEASE EXCUSE THE INFORMALITY! I WAS THE INSPECTOR ON YOUR RECENTLY COMPLETED SEWER LINE PROJECT IN THE VILLAGE OF LAKE PARK. I MET YOU BRIEFLY ON SITE ONE DAY. ANYWAYS, I WANT TO COMMEND YOU ON YOUR SUPERINTENDENT, JOE WEBBERS EXECUTION OF YOUR COMPANY SAFETY POLICY. I ATTENDED THE MORNING SAFETY MEETINGS ALONG WITH PARTICIPATING IN THE STRETCH EXERCISES, AND WAS PLEASANTLY SURPRISED BY HIS AWARENESS OF, AND CORRECTIVE ACTION TAKEN TO CREATE A SAFE ENVIRONMENT FOR THE TRAVELING PUBLIC, AS WELL AS TRENCH SAFETY FOR HIS EMPLOYEES, WHILE STILL STRIVING FOR PRODUCTION! HE HAD TWO OUTSTANDING EMPLOYEES ON HIS CREW, QADIR DIN AND DAN BUCK, WHO AGAIN WERE VERY AWARE OF THE TRAVELING PUBLIC, AS WELL AS THERE FELLOW EMPLOYEES, BY LOOKING FOR AND ELIMINATING TRIPPING HAZARDS, CLEANING UP AS PRODUCTION ADVANCED, ALONG WITH ADJUSTING SIGNAGE AS NEEDED. IN MY OPINION THESE MEN DESERVE RECOGNITION SO OTHERS TAKE NOTICE. IN CLOSING, YOUR SENIOR PROJECT MANAGER, KEVIN TURE DID A GREAT JOB WITH THE RESCHEDULING BY KEEPING IT IN LINE WITH SUBSTANTIAL COMPLETION! AND KEVIN BEING THE HUB, KEPT THE SPOKES ALIGNED SO THE SHULTZ WHEEL TURNED! THANK YOU.
